

The background is black and features several decorative green elements. At the top, there is a large, stylized floral motif with multiple leaves and two small flowers. To the left, a thin vine spirals upwards. Below this, a larger, more complex floral design with many leaves and small flowers is visible. At the bottom, there is a large, curved green shape that resembles a stylized leaf or a part of a vine. The text 'openSUSE' is centered in the middle of the page, and 'gossip' is centered below it, both in a white, sans-serif font. The word 'gossip' is significantly larger than 'openSUSE' and has a glowing effect.
