

The background features intricate green floral and vine motifs. At the top, a large, stylized flower with multiple petals and a central stem with two buds is prominent. Below it, a series of elegant, swirling lines form a decorative flourish. To the left, a large, circular, spiral-like pattern is visible. At the bottom, another floral element with several buds and leaves is shown, along with a large, curved, leaf-like shape on the right side. The overall aesthetic is clean and modern, with a strong contrast between the vibrant green and the solid black background.
